

Stand^{WITH} JUDGE MOORE

for God, Marriage, and the Constitution

MAY 21 | SAT. | 300 DEXTER AVE | 11:00 AM.

Can you believe what's unfolding before our eyes here in Alabama and across the nation? It's time for God's people to stand. If you've ever wanted to be a voice for truth, for God, for marriage, for morality, for the Gospel, for your children and grandchildren, for the Constitution of the United States, and the laws of Alabama, *this is your time to rally*. Chief Justice Moore has been a lone voice for God's law and for a proper interpretation of the Constitution in the midst of those who hate both and now they're trying to take him down.

Chief Justice Roy Moore has been suspended by the Judicial Inquiry Commission (the JIC -- an appointed body) from his position as Chief Justice of the Alabama Supreme Court because of his belief about marriage and his strict adherence to the rule of law.

It's time to show up. It's time to speak. It's time to actually care enough to do something.

Come to the Judicial Building (300 Dexter Avenue, Montgomery) on Saturday, May 21st, at 11:00 am. Join friends of Chief Justice Moore, churches, conservative organizations, and activists from across Alabama and the nation.

The members of the JIC capitulated -- suspending the Chief Justice based on politically-motivated complaints fueled by homosexuals, humanists, and atheists, transvestites like Ambrosia Starling, and organizations like the Southern Poverty Law Center, the Human Rights Campaign, and Wiregrass Equality. It's shameful. They have now filed charges to another appointed body, the Court of the Judiciary. This body could remove Chief Justice Moore from the bench or clear him of charges, which they should do promptly.

It is only right that as we adamantly communicate a message of repentance, grace, and the Gospel to the church and to the lost, we stand for God's moral standard in the public square and hold up one of the few elected officials who is upholding his oath to God and the law. We intend to communicate all of these messages with grace, precision, and the necessary boldness on Saturday, May 21st. We need you to show up with as many as you can and send a strong message to those playing a political game that is dishonoring God, destroying your country, and taking out an elected official who is daring to do what is right before God and the law.
